

Reference to MB Docket No. 04-233 -- I am writing in reference to the FCC's proposed expansion of the LPFM stations, especially if such expansion affects Christian radio stations such as K-Love. K-Love is one of the few FM stations which promotes positive and encouraging messages and music, appropriate for all persons, regardless of age. Much of our current media is filled with vulgar language and messages which are inappropriate for adults, let alone children. We do NOT wish for LPFM stations to replace the Christian radio stations which provide some of the few media outlets that do not typically offend their audiences. Therefore, we strongly urge the FCC to minimize expansion of LPFM stations. Thank you for your consideration of this request.
